

DANIEL JHON B. BANCALE

WEB DESIGNER

Purok-Sook, Matab-ang, Day-as, Cordova, Cebu - bancale146@gmail.com
09357237298

I'm a creative and tech-savvy **Bachelor of Science in Information Technology** fresh graduate with a passion for web designing. With expertise in HTML, CSS, and web design, I enjoy bringing ideas to life through visually appealing websites. I'm a firm believer in teamwork and effective communication, and I'm eager to continue learning and growing in the field. I'm excited to contribute my skills and collaborate with a dynamic team that values creativity and innovation.
